Case No. PU-I 4-842

**PETITION TO INTERVENE OF
 MICHAEL AND JANICE ISAAK**

Pursuant to N.D.A.C. § 69-02-02-05, Michael Isaak and Janice Isaak, by and through their attorneys Derrick Braaten and Matt Kelly (collectively, “Petitioners”), hereby petition to intervene in the above-captioned proceedings. In support of this petition, Petitioners state and allege as follows:

1. Michael and Janice Isaak live at 8159 Highway 200, Dodge, ND 58625. Michael and Janice received documents from Dakota Access, LLC and offers for an easement over their land for the Dakota Access Pipeline Project, and have also received repeated requests for survey permission on their property.
2. Michael and Janice Isaak’s property will be crossed by the Dakota Access Pipeline Project, and they are concerned about impacts to their land. The Isaaks have not yet been able to reach an agreement with Dakota Access regarding an easement on their property, and feel it is necessary to protect their interests by ensuring that they are

represented in these proceedings.

3. Petitioners have a direct and substantial interest in these proceedings, as well as legal property rights which may be substantially affected by the ND Public Service Commission's findings and conclusions in this matter. Petitioners are intimately familiar with the land they own and rent, and can provide the PSC with specific information related to its routing determination in this proceeding, with respect to their individual lands.
4. Petitioners are not adequately represented by existing parties, and Petitioners' intervention would not unduly broaden the issues or delay the proceedings, particularly given the early nature of the proceedings.
5. Petitioners are not necessarily in support of or opposed to the relief sought by the applicant in this proceeding, but intend to oppose such relief if it allows Dakota Access to cross the lands they own and rent in a manner that will cause unnecessary or unreasonable damage to the land and to their farming operations.

Dated this 14th day of May, 2015.
